

WECBC Executive Table Application

Windsor/Essex Community Benefits is made up of volunteers from community organizations, local institutions, and regional residents who wish to have community benefits leveraged to better the lives of all people in our region.

The WECBC Executive Table is the steering team for the organization, which provides strategy, advocacy, and planning. The group is made up of resident members (3) and institutional members (2). This group provides oversight for staff and provides the core functions during periods without staff. The group is led by a Chair and operates regular meetings, as well as communication with staff. The Executive Table also hosts Resource members (3-5) who attend meetings and manage project tables.

Do you require any accommodations? (please feel free to email us at wecombencoalition@gmail.com or call us at 519-980-9772 to discuss further if needed)
